

# **iNtrmzzo - On The Road Again**

*A Vocal Comedy Roadshow*

*Who doesn't like music blasting out of their car stereo, hair blowing in the wind (at least for two of the band members), singing along with your favorite songs from the 70s & 80s? iNtrmzzo does!*

*iNtrmzzo is back on the road again with a stunning vocal comedy road show performed in a way only iNtrmzzo can.*

*Amazing beatbox, groovy songs & classic ballads combined with their absurd comedy performed by Europe's most innovative A Cappella band from The Netherlands*

*Buckle up and get ready for a ride with iNtrmzzo!*

*We're back !*

*The Dutch four-man band has been around since 1991. In its current form Merijn Dijkstra, Robbert van Unnik, Harm van Bennekom and Tjidde Luhrs have been performing together since 2005. All four musicians are graduates from major Music Colleges and Universities. iNtrmzzo's unique style incorporates Theater, Comedy and musical genres like Pop, Classic, World, and all without the use of instruments!*
